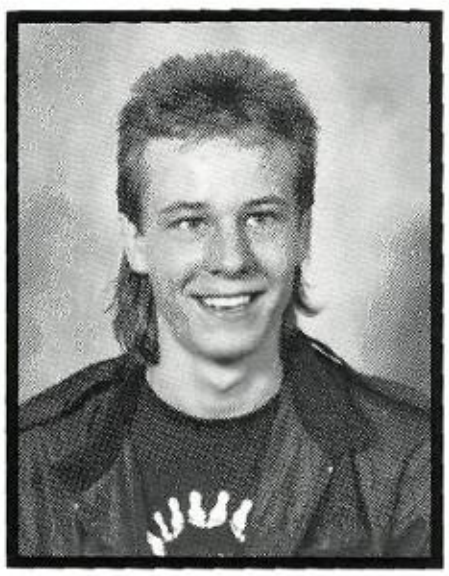
ANKE BUCHAUER
Germany

Hello,

I am Anke Buchauer from Germany. There I live in a little town near Frankfurt. Through some personal connections to America and the "full-bright-gesellschaft" in background, I was able to come over. Here I live with Jenny Schye and go to East. Both I like a lot.

East is very different to my German school. Here it is more fun and you do alot more in connection with school. In Germany you go to school from 7:45 to 1:05. During that time you stay together with the same group of pupils and have your classes. We don't choose them, but have twelve different ones where from everyone takes place two to four hours a week. Then there is much more homework and we don't do any sports or band-music at school. Here I play the clarinet in the band. Also, I play Basketball for East.

I am glad to learn about America and really enjoy being here. Thanks for having me.



LUKE FLYNN
Ireland

How's it goin'?

You may have seen me around and thought Just another freshman. Well, I'm not. I am a senior and I am going to be here for the full year with you. I am one of those A.F.S. students who you tend to ignore.

I am not goin' to tell you all bout where I live etc. I am writing this about me. I live in Cork Ireland, west of England. I am English and lived there up to the age of sixteen and only recently moved to Ireland. I am now eighteen and have left school (in Ireland).

Keep on Swinging,
See you around!

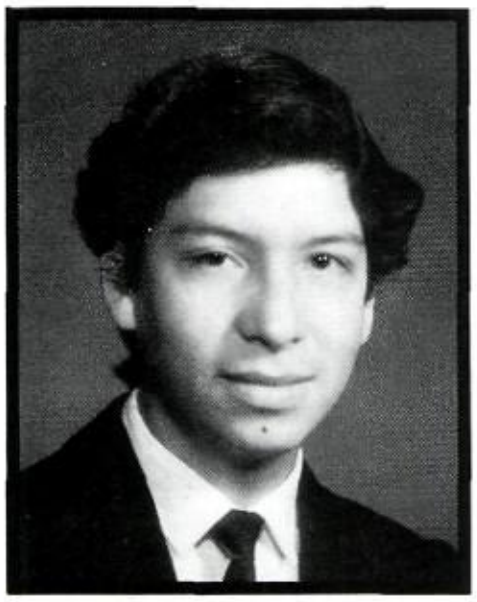
GERALDINE
HALLOWS
Australia

Gidday Mate! My name is Gerry Hallows and I am From Canberra, which is the capitol of Australia. So far I have been in Madison for two months, with only nine more to go. It is a shame this cannot be written at the end of my school year overseas, so that I could tell everyone how wonderful it was. So far school has been exciting, different and new. I am looking forward to experiencing all the things that are specifically American, for example; Homecoming, Prom, Halloween, Thanksgiving and a Christmas with snow. Sitting through my first Pep Aud was something else! Already after 6 weeks of school I have met many people and I know they are learning something about Australia as I am learning the American way of life. Thank-you Mr. Kral, The A.F.S. people and my new family the Chattertons for everything you are doing and have done for me.



HOMERO
DELGADELLO
Bolivia

My name is Homero and I am From Bolivia. This year I am really happy to be in this beautiful city. In A.F.S. I do many exciting things. I like to learn about other people in other countrys, the way others live, how studying is in another school and how to be a member of a different society. All the things bring me the opportunity to learn and know how others live. My family is an important part of my life. They teach me alot. Another important thing is East. I am happy I can be here. Students are also very helpful to me. I can say that East High is the best school in the U.S.A.

Thanks a lot.

HEIKE KIWUS
Germany

Hello,

My name is Heike Kiwus and I'm an exchange student from Berlin, Germany. I am here for the school year with A.F.S. I came to America because I was interested to see how other people live. I would like to learn the way from the American young people. It is a great experience for everybody to go in a strange country and learn a new mentality. Everybody who has this chance must take it.

My country, Germany, and America are really different. I like the activities in American school but I like my German school too. I think a mix of an American and German school would be the best for me.

My hometown, Berlin, is a really old town full of history. It is a town with many different people and I grew up with many nationalities. I miss Berlin but everyone must miss something.

I enjoy being here in America and I would like to say thank-you to my family, teachers, friends, the school, and naturally, A.F.S.

White Roses

White roses in the summer,
Shining brightly in the heat,
Remind me of our Jenny,
So innocent and sweet.

Like the roses white,
Fair was lovely Jenny,
And kind was she who lived so short,
And gave her love to many.

And as the Summer fades to Autumn,
We cling to happy memories.
For though all roses have their thorns,
They also have their leaves.

But even though the leaves live on,
The roses soon will die.
And like a rose, she gave to us,
The love that made us cry.

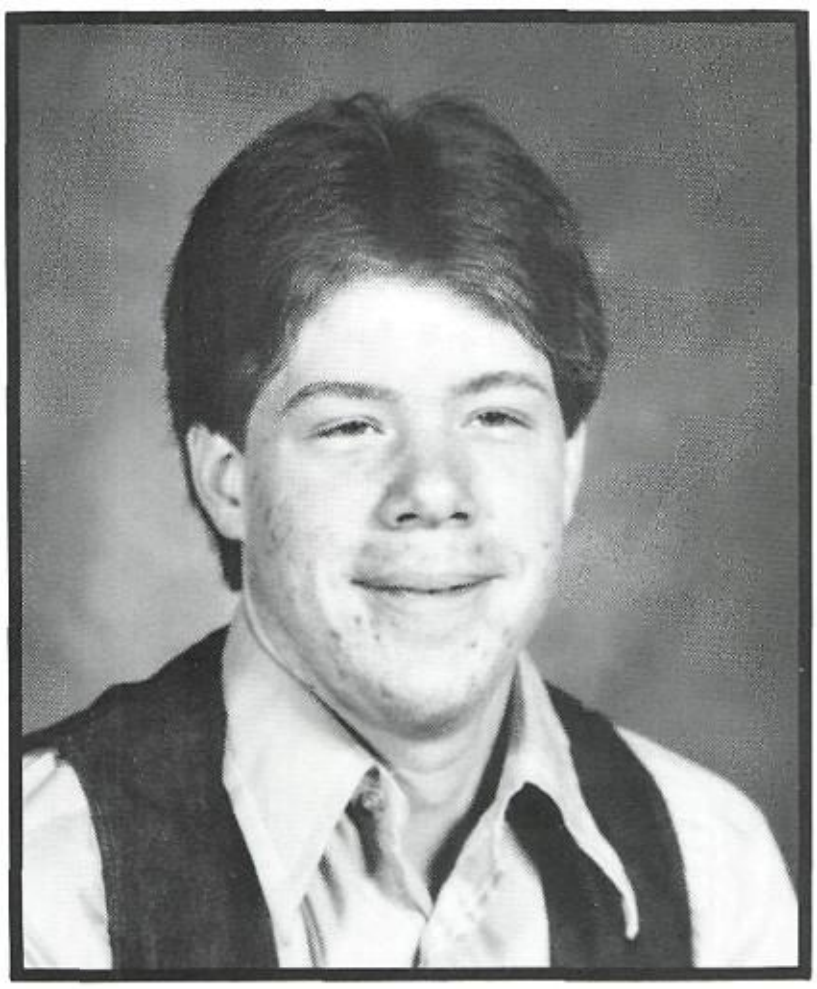
Although she died so very young,
Inside of us she grows.
And there she'll live eternally,
In the shape of one White Rose.

by, Heather Lester

In Memory Of
Jennifer Ann Jones

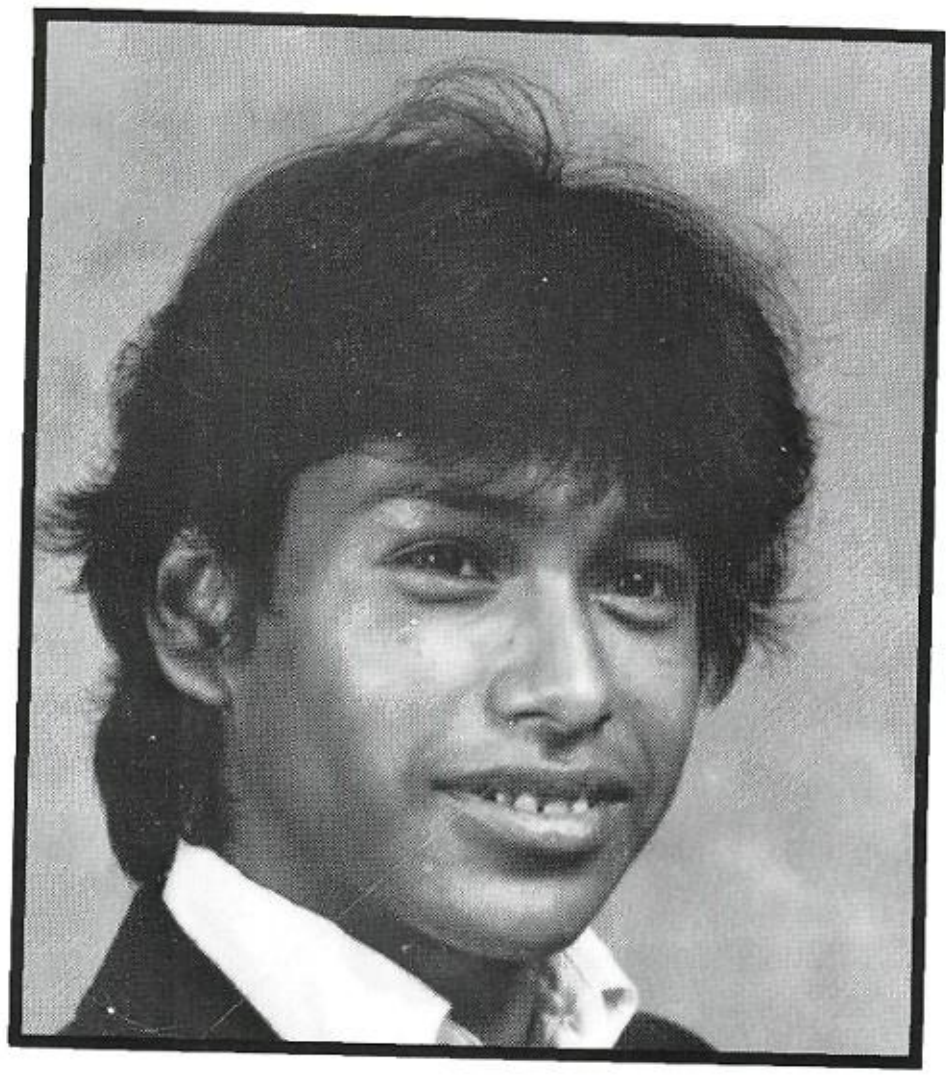
When to the sessions of sweet silent thought
I summon up remembrance of things past,
I sigh the lack of many a thing I sought,
And with old woes new wail my dear time's waste:
Then can I drown an eye, unused to flow,
For precious friends hid in death's dateless night,
And weep afresh love's long since canceled woe,
And moan the expense of many a vanished sight:
Then can I grieve at grievances foregone,
And heavily from woe to woe tell o'er
The sad account of fore-bemoaned moan,
Which I new pay as if not paid before.
But if the while I think of thee, dear friend,
All losses are restored and sorrows end.

In Memory Of



John Ficken

In memory of



To Pablo:
You fill up my senses
Like a night in the forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like q sleepy blue ocean
You fill up my senses
Come fill me again
Let me lay down beside you
Let me drown in your laughter
Let me die in your arms
Let me always be with you
Let me give my life to you
You will up my senses
Come fill me again

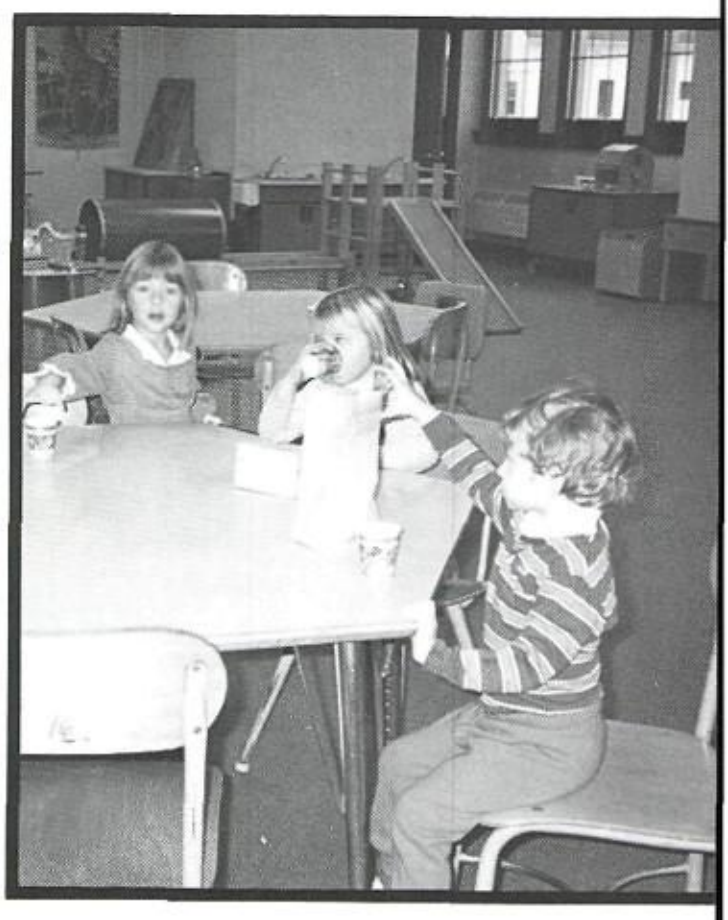
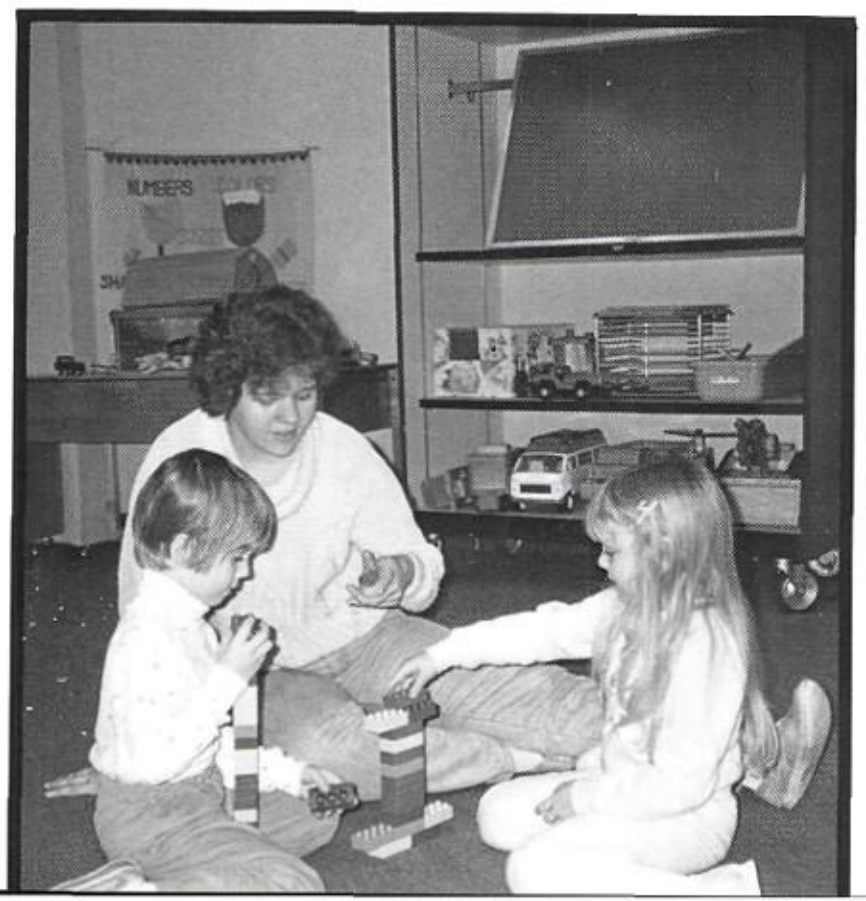
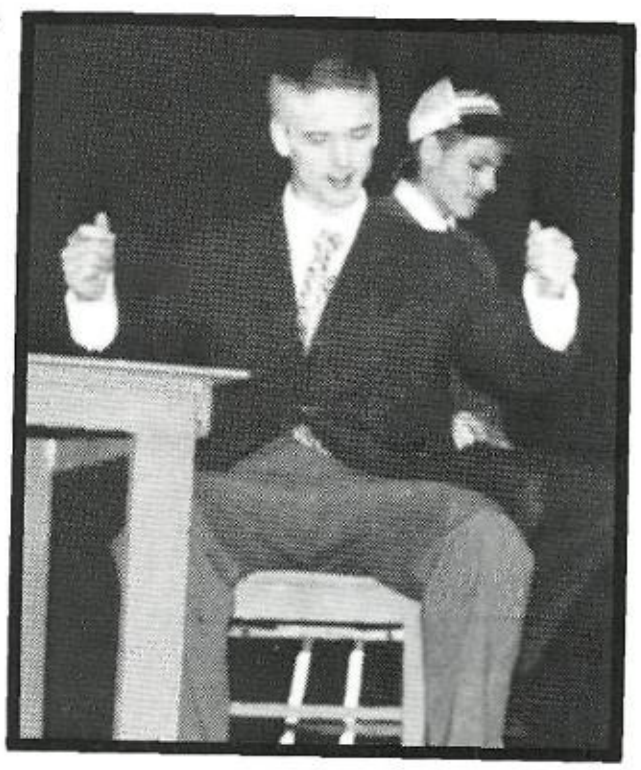
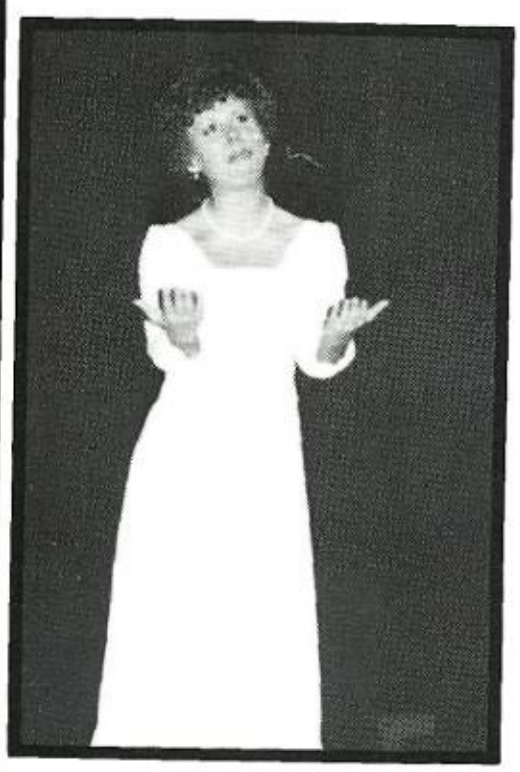
DAYCARE

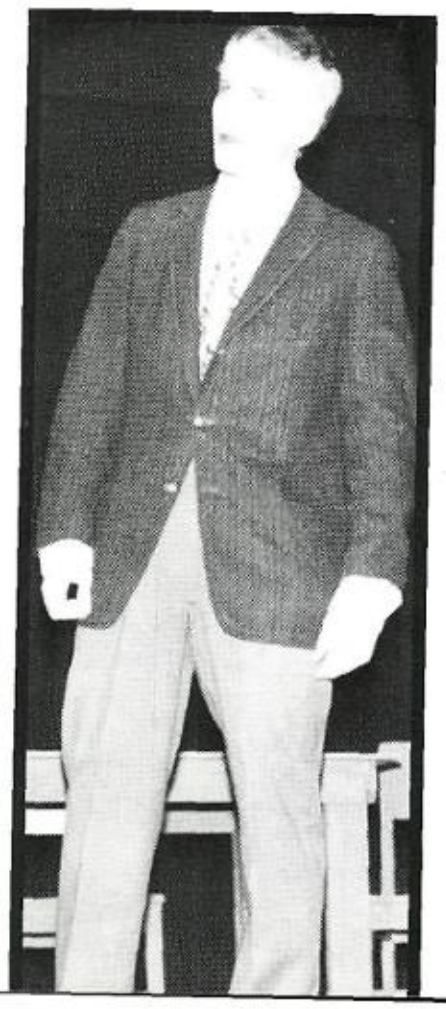


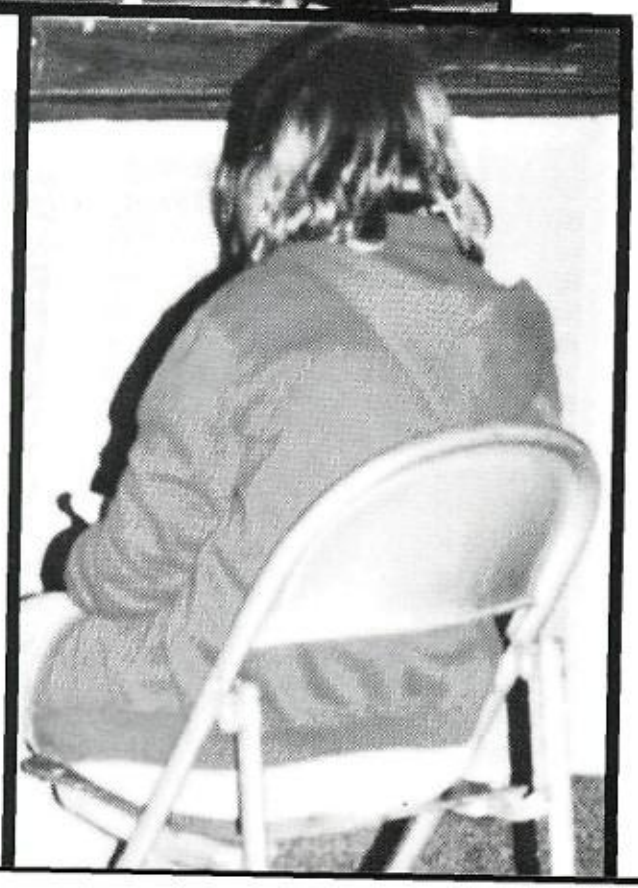


Our Town

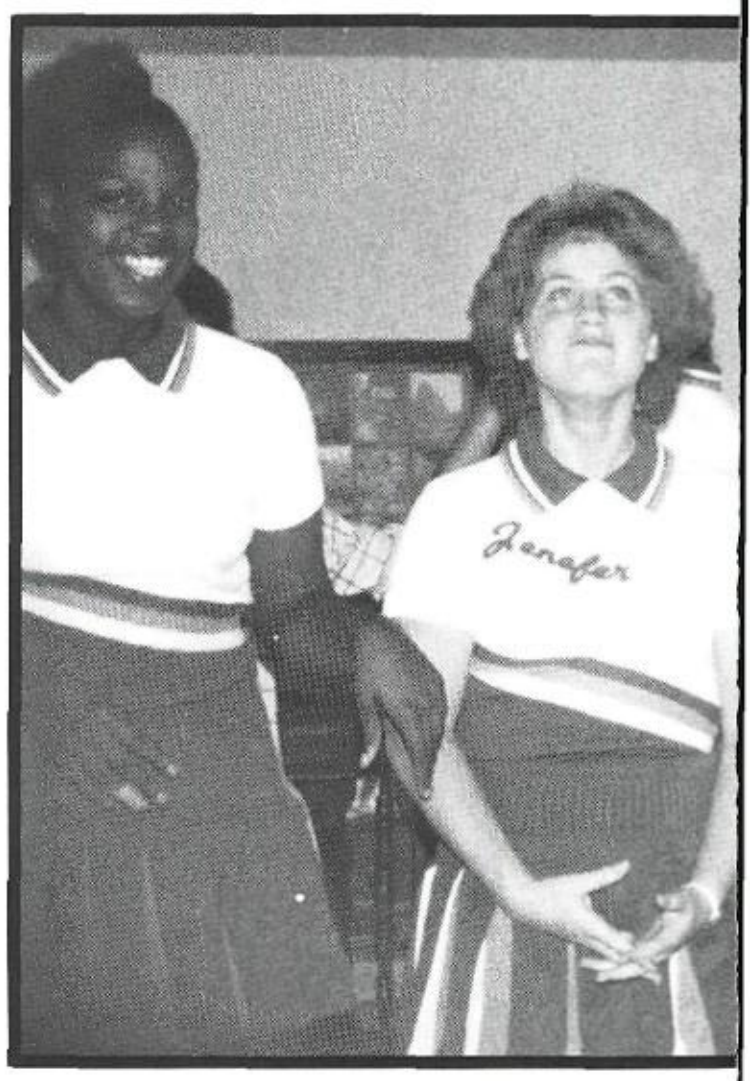


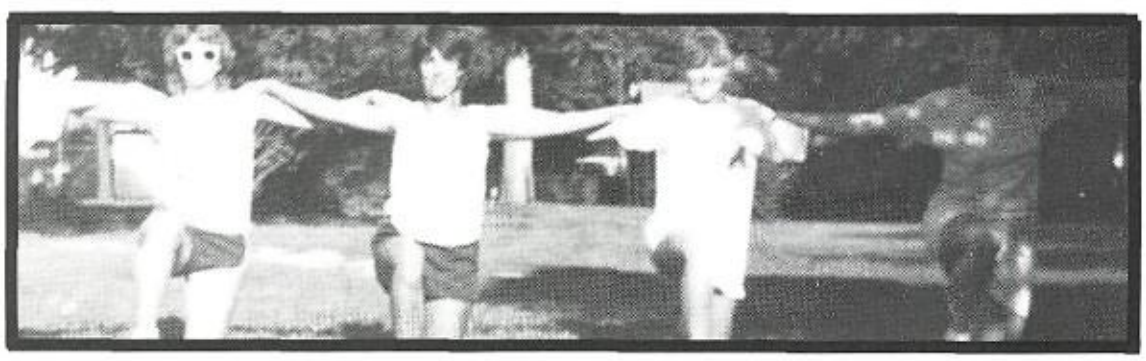






VARSITY POM-PON





We got off to a terrific start this year at Bagerette Camp. Our hard work paid off with the highest ribbons we've ever received, and a squad that worked well together.

We filled our year with Pep Auds, Homecoming, Football, And Basketball games. Through Kick-a-Thon, we made a donation to Hospiscare.

This year was also extra special because of all the parent support. Mr. McPike's encouragement was also greatly appreciated.

Whether we were at fundraisers, parties, a t.v. audition, or practice after a long day, we were always having a great time!
